Description of Fees:

Nine-Month Boarding Student Tuition includes tuition, room, board, meals, and ESL.

Student Accounts are initially funded at \$4,000 in addition to tuition stated above. The student account covers the Squaw Valley USA ski pass, two weeklong Outdoor Education Trips or Excursions, local transportation, drug testing, field trips, weekend activities, laboratory fees, technology fees, music and art fees, and other minor school-related activities. Student Account statements are mailed or are sent by email, quarterly to parents.

Boarding Student Damage Deposit of \$525 is a separate account that parents provide. This account covers anything beyond normal wear-and-tear of school property.

Common Fees charged to Student Account:

Squaw Valley USA Season Pass: varies from Mid-Week to Full Pass

Weeklong Outdoor Education Trips: \$450-\$800 depending on destination

Weekend Activities: \$15 for a movie trip and \$150 for a one-day trip to a theme park

Drug Testing: \$15 in-house, \$50 to off-site lab

Classroom Lab Fees: from \$50 to \$100; AP classes can be higher

Transportation: from \$30 for a doctor in-town to \$100 to the Reno Tahoe International Airport

Sports: \$150 soccer uniform, equipment rentals, kayaks, climbing gear, snowshoes, extra ski lessons, etc.

College Applications: normally \$50-55 each application

Purchase of major sports equipment normally is handled by the family, but, upon request, the school will assist the student with the purchase and bill the student account or family credit card.

Personal travel to and from school and home is arranged and paid for by the family.

Many parents provide their child with a limited debit card for personal expenses. Squaw Valley Academy does not cash checks nor advance money from the Student Account for personal needs. All above fees are estimates and may vary.
